OSHCare 4 KIDS are delighted to be partnering with Grahamvale Primary School to provide families with an enriching After School Care program.

We at OSHCare 4 KIDS acknowledge that children’s learning and development are significant within their school environment, which also translates to Outside School Hours Care. We are passionate and enthusiastic professionals to ensure your child is provided with a safe, nurturing and fun experience at our programs.

**OSHC Program**
Our program environment is a combination of: recreation, creativity, quiet areas, homework area, stimulation, adaptability, flexibility, structure and unstructured. We create an environment that provides children with a sense of belonging and involvement with the opportunity for children to pursue their current interests and develop new ones. While having fun they will form friendships that will last a life time.

**Nutrition**
We value the importance of children’s healthy eating choices. At OSHCare 4 KIDS children are provided with a healthy nutritional snack each afternoon. Children have input into the program menu, whilst learning the value of good healthy choices.

**Educators**
Each day is an adventure and new memories are created. This is lead by our dedicated, trained, qualified Educators that have the skills and abilities to ensure your child’s time at the program is rewarding as well as memorable, but foremost making sure your child is always having a fun time.

**Government Financial Assistance- Child Care Benefit (CCB) and Child Care Rebate (CCR)**
Families are provided with two types of financial assistance to help cover the cost of Child Care and this is in the form of CCB and CCR.
