Thursday 20th June

Year 1/2 Under The Sea  
Showcase

Foundation-Year 6  
Alpha King Arthur  
Incursion

We have noticed recently that more and more parents and students are not using the designated school crossing areas correctly. Can you please ensure that when you are crossing in the car park that you do so on the designated crossing. Thank you for your ongoing support with this.

Reports will be sent home with students next Friday. Our Parent/Teacher Interviews will be held on Thursday 27th and Friday 28th June. And we strongly encourage students to attend these with you. Please note that students only come to school on Friday with their parents for their interview and then they return home again. If you are not able to make either of these days, please see your child's teacher to make an alternative time. We value the partnerships we have with our families and this is another way we can work together as partners in your child's education. At last week's Principal Conference I attended a workshop with Professor John Hattie, who shared that parental involvement in their child's education has the potential to accelerate student achievement.

Tomorrow is our Foundation Grandparents Showcase Day. I am looking forward to seeing the grandparents sharing in some learning with their grandchildren. Next Thursday it is the turn of our Year 1/2 students to showcase the work they have been doing about sea creatures. Parents and family members are invited to come along to school from 4pm - 5:30pm to see the great learning that has been happening. I know the students have been working very hard on their information posters and artwork and are looking forward to sharing these with you.

Good luck to all our students who are participating in the Region Cross Country event next week. I know you will have our school values well and truly on display.

We have a number of items left over from the Mother's Day Stall for sale in the foyer. All items are just \$5 and a great chance to buy a last minute gift!

There is less than two weeks to get your 'earn & learn' stickers in. Please remind and encourage all family members and friends to help us with our tally. The more stickers we collect, the more resources we can choose for our students.

Just two weeks to go before the school holidays!

Enjoy your weekend and stay warm.

Simone ☺

Do you have any rectangles you have knitted for our yarn bombing project?

Please send them along to school to help us cover the frame on the ramp outside the Art Room.

All you need is 8 ply wool, cast on 30 stitches and knit 19 rows.

The Child Safe Standards are compulsory minimum standards for all Victorian early childhood services and schools, to ensure they are well prepared to protect children from abuse and neglect. The standards provide a framework for schools to review existing policies and practices and all other aspects of child safety, to ensure a 'zero tolerance' approach to any form of child abuse. You can access our policy on the school's website.
